What's Making Retail Tick?

What Retail Property is HOT?

Where To From Here?

The big question is "should I sell now to realise significant capital gains"?

- YES** ▶ If yes, great news, but what about Capital Gains Tax and where do I invest next?
- NO** ▶ If no, do I use the existing equity in the property to acquire a new asset?

Charter's Retail Valuations and Corporate Real Estate teams are at the coal face of retail activity and combined with our total independence and national coverage, we can offer astute advice to navigate clients towards achieving a retail portfolio that contributes positively to cash flow and wealth creation.
