- Progress claims and variation assessments
- Site inspections
- Post contractual duties
- Financier reports
- Insurance assessments
- Property tax allowance schedules
- Client liaison and business development

Position Requirements:

- Degree qualified in Quantity Surveying or a related field
- 5-8 years' experience in Quantity Surveying, preferably within a Consulting Environment
- Outstanding presentation and communication (written and verbal) skills
- Client focused with a proven ability to build client relationships
- Disciplined and organised with a strong work ethic
- Ability to work autonomously and as part of a team
- Detail oriented and commercially astute
- AAIQS and / or MRICS qualified

This presents a unique opportunity to distinguish yourself in a supportive environment. Interested applicants should forward a covering letter, addressing the position requirements, together with a Curriculum Vitae to hr@charterkc.com.au.
