

Roman Matruglio

Senior Data Analyst – Research
BBus. (Property)

Roman joined Charter Keck Cramer in January 2015 in the Strategic Research and Advisory team, as a Senior Data Analyst.

Roman is a skilled property professional with over a decade of experience analysing data in multiple industries.

Roman is responsible for managing the Research team's data warehouse in addition to producing outputs and visualisations that underpin the Consulting team's analysis as well as supporting market assessments and advice.

Roman's analysis has been used in various media publications as well as large industry events.
