PROJECTS

Charter Project Management demonstrates a diversity in industry sectors, managing projects with property intelligence and expertise in design and construction.

Our experience ranges from planning approvals, design management and coordination, contract administration through to body corporate establishment in the residential sector, from feasibility to office fit-out in the commercial sector, from base building retail construction to tenancy coordination, and from hotel design management to operational FF&E procurement.

Some of our current and past projects include:

Residential

- » Miramar Apartments, Geelong (pictured above)
- » Trillium Apartments, 36 Latrobe St Melbourne
- » Magnolia Apartments, 632 Doncaster Rd Doncaster
- » 99 Pleasant Road, Hawthorn East
